54. Climate Smart Dover Task Force

**(845) 832-6111
Ext. 112**

In collaboration with the Town of Dover Government, the Climate Smart Dover Task Force is a group of caring residents who educate and raise awareness about the impact of climate change on Dover, neighboring communities and the world. The task force assists town officials with action items to complete and maintain NYS Climate Smart Communities certification, sponsors climate-change related educational events, and posts information to the Town’s website and on the Climate Smart Dover Facebook page.
New volunteers are always welcome.
