

## Municipal CAC/CAB and EMC 2023 Directory Information

**Instructions:** Please fill out **both** sections of the directory form completely.

The first section is the information that is shared in the public CAC & EMC directory that is updated annually. The second section is not part of the public directory and will not be shared with others. This information is extremely important so that CCE Dutchess staff can keep the CAC and EMC listserv up to date.

Please return this form along with the Annual Report form (page 2) to LaQuan, at [lcr78@cornell.edu](mailto:lcr78@cornell.edu), no later than **Wednesday, March 15, 2023**.

---

## Information for 2022 CAC & EMC Annual Report

**Municipality:** Town of Dover

**Person(s) completing this form:** Evan Van Hook, Chair, Dover CAC and Katie Palmer-House, Town Clerk

### **Projects/Work Completed or Ongoing from 2022:**

- created and maintain a pollinator garden at J. H. Ketcham Memorial Park in Dover Plains planted with assistance of local Girl Scouts
- continued development of a sustainability chapter for the Town's Comprehensive Plan Update
- established a Pollinator Pathway working group to promote new public and private pollinator gardens
- Town acquired 170-acre Seven Wells parcel as additional park space to the Dover Stone Church Preserve and for natural resource protection of the Dover Plains water aquifer and recharge areas
- adopted the intermunicipal Ten Mile River Watershed Mgmt. Plan (developed with assistance from HVA)
- earthwork at JHK Park to clear areas of Ten Mile River waterfront access for future fishing and kayak access
- began data input on electric and fuel usage benchmarking at town facilities (Town Hall and Highway Garage)
- upgraded Town Hall to LED lighting fixtures with \$5,000 Clean Energy Communities grant funding.

### **Impacts/Outcomes/Successes:**

(Please see above)

### **Obstacles/Resources or Information Needed:**

- None

### **Plans for work/projects in 2023**

- investigate funding for constructing fishing platform and kayak launch at J. H. Ketcham Park
- complete and adopt sustainability chapter and include in recently adopted Town Comprehensive Plan Update
- continue Pollinator Pathway work group meetings to facilitate additional public and private pollinator gardens
- install child-friendly sensory planters at the children's playground at J. H. Ketcham Park
- determine next action items achieved and needed to apply for NYS CSC Silver-level certification
- a Town Zoning Code Update Committee is currently working on commercial solar development legislation.
